Copper Creek

Crafted for Everyday Life

Feature-Rich, Best-in-Value Door Hardware

Copper Creek door hardware is one of the most feature-rich and best-in-value brands in the industry. Our products include hidden design details that save you time on installations, help prevent costly call-backs, and maximize your margins & profitability.

Non-Loosening Ratcheting Screws

Special Ridges under the screw heads help prevent the screws from loosening over time, eliminating one of the biggest complaints of door hardware.

Strong & Durable Solid Steel Chassis

Copper Creek uses Hi-Quality Steel (Others use weaker pot metals)

### Tough & Reliable Latch with Durable Square Drive

Copper Creek uses Steel Components (Others use plastic components)

Tough & Durable Electroplated Finish with 5-Year Warranty

Fast & Frustration-Free Installation

Quick-Install Screw Alignment Adapters help eliminate one of the most time-consuming and frustrating aspects of door hardware installation.

LIFETIME MECHANICAL WARRANTY

Engineered for Life

All Copper Creek hardware is backed with a Lifetime Mechanical Warranty and a 5-Year Warranty on all finishes.
