

Troop 70

Leadership Contract

I, _____, understand that a leadership position with the Troop requires a significant commitment of my time, energy, and talents. I understand that a leadership position is an integral part of the functioning of the Troop, and that failure to perform my job to the best of my ability will adversely affect the Troop, its programs, and my fellow Scouts. I understand that failing to perform my job means that I will not receive leadership credit.

On my Honor as a Scout:

I will strive to understand and fulfill the requirements of the position I agree take. I will make my Scouting commitment a priority in my life. I understand that I am required to attend at least 2/3rds of all camp-outs, meetings and activities during the time that I hold my leadership position, and that failure to do so will result in not receiving leadership credit. I will be loyal to the position I accept, If, for some reason, I am unable to fulfill my obligation, I will contact my Senior Patrol Leader and my Scoutmaster and discuss any issues so that my conflicts can be resolved in a manner that supports the Troop and its Programs.
