

Limited funds are available for financial aid. Applications will be processed on a first come, first served basis. No applications will be received after Friday, June 15, 2018.

**Who is eligible for Financial Aid?**

Financial Aid eligibility is dependent upon the degree of need as verified by this form and supporting documents.

**How do I apply for Financial Aid?**

Complete this document and attach any relevant forms, letters, and numbers. A class registration form must be received with each application.

**What does a Financial Aid scholarship cover?**

If eligible, one partial or full scholarship will be awarded per student. Students or families who enroll in one class will typically receive financial aid that covers a portion of the class fee. Students who enroll in multiple classes may only receive financial aid for one class; that award is typically applied towards the most expensive class. Scholarships are awarded based on eligibility and may cover up to a maximum of \$95 for any group class. Additional class fees can be made in payments as arranged with the Director of Education & Communication.

**Can the Cornerstone Arts Program provide financial aid for private lessons?**

Financial aid for private lessons is available on a limited basis. Funding will be determined based on financial need. Financial aid typically discounts the private lesson fee by \$1 - \$2.

**How will I know if I receive a scholarship?**

You will be contacted about your application via email, regardless of whether or not it is awarded.

Please complete the bottom portion and submit it with the class registration form.
