Questions to Explore

Evaluate:

1. As you review your top statements, what resonated most? What surprised you?

2. Are these development opportunities new for you or behaviors you've not been practicing for a while?

3. How has the lack of practicing these behaviors impacted your organization/program? Explain.

Evaluate (continued):

4. Which of the 6 Guiding Principles were most represented in your cards? Does this make sense to you? Explain.

Respond:

5. What is one action you can take to practice these behaviors more frequently or well?

6. Who can you ask for help and support?
