

IMPORTANT ANNOUNCEMENT

North Shore Coaching College Bella Vista is temporarily shifting classes online.

Q & A

Why is North Shore Coaching Bella Vista temporarily shifting classes online?

In light of our prudent & responsible operating practices, it is imperative that we do our part to minimise the risk and to protect everyone in our community. We are temporarily shifting to online lessons and we will revert back to face to face classes in Term 2 in line with any Government guidelines at that time. Our team has been hard at work to ensure learning continues without interruption.

How will North Shore Coaching Bella Vista continue supporting my child's learning?

Henceforth, videos for each class will be uploaded to an online portal on a weekly basis for your children to be guided through each individual page of the student booklets. Lessons will continue to be released and delivered on a weekly basis. More guidance & instructions on how to access the lessons and how to submit the homework will be communicated shortly in a separate guidance note.

When does online learning start?

The website will be available for access starting 27 March.

Learning Booklets

If we have not received the Weeks 9 & 10 learning booklets, when can we pick these up?

If your child's learning materials have not been collected, we will be open on 23 March (Monday) from 11am to 3pm & 25 March (Wednesday) from 4pm to 6pm at our Bella Vista centre for the collection of student learning booklets. If this is not suitable for pick-up, the best way to contact us is by sending an email to bellavista@northshorecoaching.net or sms 0422 564 943.

Logins & Password

These have been included in the pack that you have received (or will receive) together with the learning booklets. If you do not have this or have any problems locating this, the best way to contact us is by sending an email to bellavista@northshorecoaching.net or sms 0422 564 943.
