INSTRUCTIONS

DATE:

This booklet is meant to be an extremely simple and easy way for you to track which chapters in the Bible that you have read, liked, and want to keep track of.

Simply cross off chapters that you have read and then circle chapters that you really like. If you want to take it to the next level, you can highlight the chapters in different colors based on their themes. So chapters about love could be highlighted in pink, things about peace could be marked in green, etc.

Kind of like this:

Nehemiah
1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13

Also, be sure to mark the date you started! Start a new reading log each year, so you can quickly look back and see which parts of the Bible you read over a whole year.

But the most important thing is that you simply read and spend time in the word of God!

P.S. If you like this, check out www.drawnear.co for more cool stuff. And feel free to send this tracker to anyone you want!
