

ESSENTIALS

The Essentials Collection is designed for locations that have limited space/limited height for a market. It has the quality and design you expect from Fixturelite, assembles in minutes with just a screwdriver, and has a price point designed for markets with lower sales volume and limited space. A matching pedestal with locking rear door for the POS is also available.

The Retail Display Snack unit is 48" w x 20" d x 80" tall.
