We respectfully acknowledge the Coast Salish Peoples on whose traditional territories we live and work, and all the First Nations of the Pacific Coast.

2018 – 2020 Strategic Plan

The purpose of the Strategic Plan is to define the key goals and objectives for 2018 – 2020 to ensure the continued relevance and sustainability of the Bill Reid Gallery.

Joint Board and staff planning sessions were held in January and March 2017 to produce this plan.

Vision

The Bill Reid Gallery reveals the vital and diverse indigenous cultures of the Northwest Coast through the extraordinary work of Bill Reid and inspirational contemporary art.

Values

- We share Bill Reid’s belief that “joy is a well-made object” and celebrate artistic excellence by presenting the work of Bill Reid in the SFU Art Collection and other Northwest Coast artists in our galleries; and by featuring work made by or designed by Northwest Coast artists in our Gallery Shop.
- We form lasting partnerships and collaborate to create innovative programs that engage, educate and inspire a deeper understanding of indigenous cultures and art.
- We engage indigenous community members within all aspects of our organization.
- We embrace diversity and build bridges of understanding among cultures.
- We respect artistic freedom, indigenous and other peoples, and the interconnectedness of culture, land, sea and people.
