

Bill Reid Foundation Policies

Policy Name: Emergency Succession 2020.1

Area: Limitations

Date Adopted: December 8, 2016

Reviewed: January 15, 2019

Purpose

In order to ensure consistent service in the event of a sudden loss or extended unavailability of the Director and CEO, the Director and CEO shall not fail to have a written emergency succession plan in place.

This plan must ensure that no fewer than two other staff are generally familiar with the role and work of the Director and CEO.

The plan must make provision for immediate communication with the Board in the event that it is put into effect.
