Need a good day-to-evening dress?

Then **Cenia Paredes** just might be the designer for you.

Paredes will be at **Macy's Aventura** to launch [Cenia New York dresses](#) with a mini fashion presentation **Saturday, July 21 starting at 2 p.m.** And yes, there'll be refreshments, desserts and a DJ spinning some jams.

Paredes is a 2011 graduate of [The Workshop at Macy's program](#). The Workshop at Macy's aims to nurture and grow the next generation of minority women-owned retail business talent.

Cenia is a day-into-evening dress line that blends modern, clean aesthetics with a revolutionary fit concept that offers four distinctive cuts to fit the four predominant female body shapes.

The "Nicole" is for slender women. The "Jennifer" is for women who prefer a cut that is fuller at the bottom. The "Pamela" is fitted for women who have a fuller bust and want to accentuate their hips. The "Marilyn" is for curvy ladies with an hourglass figure.
