**VICTORY REX HURRICANE CHINSTRAP** | \$\$ | S/M L/XL XD

## HARD CUP OR SOFT CUP?

**SHORT ANSWER: IT DEPENDS ON YOUR OPPONENTS**

SOFT CUP CHINSTRAPS ARE MADE OF LIGHTWEIGHT, COMFORTABLE MATERIAL. THEY'RE AN ADEQUATE SHIELD FOR YOUTH PLAYERS, BUT OFFER MINIMAL PROTECTION AGAINST OLDER OR STRONGER OPPONENTS WHERE THE CHANCES OF SEVERE INJURY BECOME MORE LIKELY.

BY CONTRAST, HARD CUP CHINSTRAPS ARE HEAVY DUTY PLASTIC SHELLS WITH A BREATHABLE FOAM CUSHION INSIDE. THEY OFFER MUCH MORE PROTECTION AND SECURITY THAN A FLIMSY SOFT CUP. WE UPGRADE ALL ADULT FIELD USE HELMETS WITH HARD CUP CHINSTRAPS - ANOTHER PERK OF SHOPPING WITH US!
