## YOUTH VS ADULT

YOUTH HELMETS ARE FOR ALL PLAYERS 13 YEARS OLD AND YOUNGER. **EVERY PLAYER 14 AND OVER MUST BE IN AN ADULT HELMET.**

THE MAIN DIFFERENCE IS **THE FORCE OF IMPACT THE HELMET IS DESIGNED TO HANDLE.** ADULT HELMETS ARE MADE WITH STRONGER MATERIALS AND HAVE MORE INFLATION POINTS ON THE INNER LINING LAYER.

**VICIS ZERO2** ARE THE ONLY EXCEPTION AS THEY HAVE REMOVABLE PADDING THAT CAN BE EASILY SWITCHED OUT, CUSTOMIZED, AND CLEANED. IT'S A GREAT INVESTMENT FOR PLAYERS TO KEEP FOR MANY YEARS.

MOST LEAGUES REQUIRE PLAYERS TO WEAR COLORLESS, **CLEAR VISORS** DURING GAMES. IF YOU WANT TO WEAR ANYTHING OTHER THAN A CLEAR VISOR, MAKE SURE TO RUN IT BY YOUR COACH FIRST.

### YOUTH HELMETS AVAILABLE

SCHUTT F7 LX1

RIDDELL SPEEDFLEX

SCHUTT VENGEANCE A11

RIDDELL SPEED VICTOR-I

### ADULT HELMETS AVAILABLE

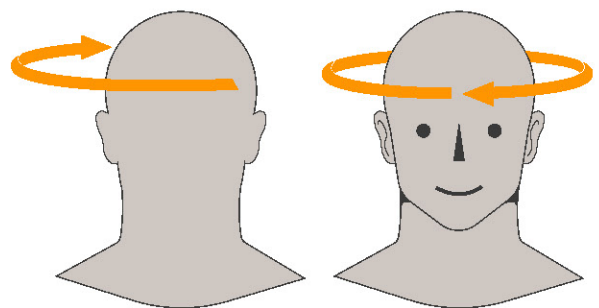

SCHUTT F7 VTD

VICIS ZERO2

RIDDELL SPEEDFLEX

## HOW TO MEASURE YOUR HEAD

TAKE A FLEXIBLE MEASURING TAPE AND WRAP THE TAPE AROUND YOUR HEAD, STARTING FROM THE BACK. MEET THE ENDS OF THE TAPE IN THE MIDDLE OF YOUR FOREHEAD. THAT NUMBER IS THE **CIRCUMFERENCE OF YOUR HEAD** WHICH WILL BE YOUR HELMET SIZE.

THE INFLATABLE PADDING ON THE INSIDE OF THE HELMET HELPS PLAYERS GET THE PERFECT FIT. **TOO LOOSE - MORE AIR, TOO TIGHT - LESS AIR**

ALWAYS USE A LUBRICATED, SHORT PUMP NEEDLE AND PUMP AIR IN SLOWLY WHEN INFLATING THE PADDING. **FOR MOST HELMETS IT ONLY TAKES 1-2 PUMPS PER PAD.**

**TIP:** WEAR YOUR HAIR THE SAME WAY YOU WOULD DURING A GAME TO GET THE MOST ACCURATE MEASUREMENT.
