IT PROJECT MANAGER

Full-time (m/f/x)

You

- have at least **3 years** of work experience in IT project management
- are **focused** and **goal oriented** but always **empathic**
- are **experienced** in working with a project management tool such as redmine, MS PROJECT
- trainings or certificates (IPMA or similar) on agile project management is a plus
- speak and write **English** fluently and your **German** skills are on an advanced level
- have a high operational readiness, you are **reliable** and **committed**
- have eCommerce project experience as a plus
- are **curious** and like to explore - not afraid of taking a step further
- have a **working permission** for Austria

Job

- **management of IT projects** based on related processes and user wishlists
- find, evaluate and benchmark implementations of **new apps and services**
- **connect** internal and external teams, **highlight** dependencies, **derive** objectives
- setup and alignment of **different projects** depending on priorities
- **supervise, document and report** on progress, delays and milestones
- **support teams** from beginning to roll out and train them
- **exchange** with teamleaders and as well as with users
- scope of projects: **website, CRM System, app programming, ERP, BI**

About us

- we are an **internationally successful** company focused on **high quality bikes** for kids and teenagers, but this is only the beginning
- we are an open minded **international team** with more than 10 nationalities
- we are agile and like to try out new things
- we have more than 80 **innovative projects** in the pipeline - some of it revolutionary
- the office is bordering Vienna and has **amazing views** to the surrounding hills and to the Danube river
- **Everyone is important, everyone counts!**

Benefits

- we offer **employee benefits**:
- **free public transport** in Vienna and Klosterneuburg
- **educational** budget
- premium **gym usage** next door
- unlimited coffee
- paid vacation & 14 salaries per year
- **team events** like cycling, skiing, snowboarding and woom days
- **special offers** on great woom products
- **help** in relocation

This position is paid with EUR 35.000,00 gross per year at minimum. But let's be honest: **we talk about your real salary in the personal interview and we will define it based on your experience and qualification.**
