SENIOR PROJECT LEADER IT

Full-time (m/f/x)

You

- have at least **5 years** of work experience in IT project management
- are **focused** and goal oriented but always empathic
- are **experienced** in working with a project management tool such as redmine, MS PROJECT
- trainings or certificates (IPMA or similar) on agile **project management** is a plus
- speak and write **English** fluently and your **German** skills are on an advanced level
- have a **working permission** for Austria
- have a high **operational readiness**, you are reliable and committed
- eCommerce project experience is a plus
- you are **curious** and like to **explore** - not afraid of taking a step further

Job

- bringing our technical project management to a **level of excellence**
- identify, evaluate and benchmark implementations of **new systems**
- connect internal and external teams, highlight dependencies, derive objectives
- setup and alignment of different projects depending on priorities
- **supervise, document and report** on progress, delays and goal achievements
- **mentoring** people and support project teams from beginning to roll out
- **exchange** with team leaders, agencies and service providers as well as with users
- scope of projects: **website, CRM System, App programming, ERP, BI**

About us

- we are an **internationally successful** company focused on **high quality bikes** for kids and teenagers, but this is only the beginning
- we are an open minded **international team** with more than 10 nationalities
- we are agile and like to try out new things
- we have more than 80 **innovative projects** in the pipeline - some of it revolutionary
- the office is bordering Vienna and has **amazing views** to the surrounding hills and to the Danube river
- **Everyone is important, everyone counts!**

Benefits

- we offer **employee benefits**:
- **free public transport** in Vienna and Klosterneuburg
- **educational** budget
- premium **gym usage** next door
- unlimited coffee
- paid vacation & 14 salaries per year
- **team events** like cycling, skiing, snowboarding and woom days
- **special offers** on great woom products
- **help** in relocation

This position is paid with EUR 50.000,00 gross per year at minimum. But let's be honest: **we talk about your real salary in the personal interview and we will define it based on your experience and qualification.**

Please send your application incl. your CV to Valerie Ferencic:
