

Accessory Pillows II

9240

Patterns are for the *Knotted Corners Pillow*, *Loop Knot Pillow*, *Braided Trim Pillow* and the pouffy *Princess Pillow*. All styles offer sizes 12" through 26".

All pillows enclosed (except the Princess Pillow) will require the same basic pillow yardage. In some cases scraps will be enough for the ornate cord trims. If a contrast cord fabric is desired for these trims, it is suggested that you determine this yardage after reading all of the instructions.

BASIC SQUARE PILLOW

Fabric Suggestions: Fabrics that display a larger pattern in the center of the width may cause some waste. Consider which areas of your fabric you wish to display on the pillow when planning your yardage.

YARDAGE

Per pillow...2 square cuts...1" larger than finished size.

PRINCESS PILLOW

Fabric Suggestions: Light to medium weight fabrics are best. Soft fabrics are easier. Stiff fabrics such as chintz will work, but are harder to gather.

YARDAGE (54" fabric)

Pillow size	Complete pillow	Pillow front only	Corners only
12"	5/8 yard	3/8 yard	1/4 yard
14"	3/4 yard	3/4 yard	1/4 yard
16"	3/4 yard	3/4 yard	3/8 yard
18"	7/8 yard	7/8 yard	3/8 yard
20"	1 1/4 yards	1 yard	3/4 yard
22"	1 1/4 yards	1 yard	3/4 yard
24"	1 1/2 yards	1 1/8 yards	3/4 yard
26"	1 5/8 yards	1 5/8 yards	7/8 yard

If a separate yardage is needed for the middle square, remember that it is cut with the grain being diagonal of the square:

Therefore, add 1" to finished pillow size to determine your cut size.

1/2" wide hook and loop tape will be needed for opening at bottom of pillow.
