BYBI Beauty
Old Laundry Yard
London
W12 8EZ

SUSTAINABILITY IS A MOVEMENT NOT A MOMENT. WE
NEED YOUR HELP.

We're committed to reducing the production of virgin packaging materials across the whole BYBI range. We now offer a circular recycling scheme for all of our glass bottles.

Use this address label to return your glass bottles to us, where we will fully sterilise in-house and recycle like for like, omitting the complicated and energy-intensive industrial recycling process. Simply pop your empty bottles and cartons back into the grasspaper box, attach this returns label and drop into your local Royal Mail post box. Thanks for helping us on our mission to create skincare that doesn't cost the Earth.

***Labels made from 100% recycled paper**
