OCTOBER 2017

OFYR® MANUAL WOOD BAG

THANK YOU SO MUCH FOR BUYING AN OFYR® PRODUCT. THIS MANUAL CONTAINS SETUP INSTRUCTIONS, WARRANTY CONDITIONS, AND ADDITIONAL INFORMATION ABOUT OUR WOOD BAG.

WOOD BAG

The OFYR® wood bag has a 50-litre capacity (approximately). Two fully filled bags are generally sufficient for one night of cooking (4-5 hours), if using oven-dried pieces of beech wood of about 30 cm long. Please note that you should store the wood bag away from the OFYR® unit when it is lit, because the bag may catch fire. Moreover, the straps may rip if you overfill it.
