RAM'S HEAD

Our made-to-order Ram's Head is inspired by both deco and neo-classical motifs. Referencing Hollywood Regency and mid-century furniture, it comes in right and left handed options. The handle can be mounted back-to-back on glass doors giving the effect of a full ram's head. Made of polished solid bronze, the Ram's Head is a true statement piece due to its design and scale.

MODEL #

RH-01-BR

DIMENSIONS

7.10" w x 8.0" h x 1" d
