

Mountain View Stone

50 Year Limited Warranty

Warranty is for a period of 50 years covering manufacturing defects as long as it is used on structures conforming to local building codes and installed according to manufacturer's written instructions. Damages resulting from wall movement, settlement of the structure, staining, oxidation, paint or contact with chemicals will not be covered under this warranty. Warranty coverage is limited to replacement of defective materials only; labor cost will not be covered. Manufacturer's warranty must be validated with original paperwork.
