Explore the world through accurate and up-to-date mapping

Collins Caribbean Wall Map

NEW

Fully updated colour wall map of the Caribbean showing information about each country including capital cities, towns, roads, major rivers and mountains.

9780008300401

The Times Map of the World

The Times Atlas has been regarded as the world's most prestigious and authoritative atlas for over 120 years, now available in a handy map format.

9780008158538

As the publisher of some of the most trusted atlas resources, Collins offers atlases ideal for teaching learners atlas and map reading skills as well as about the world around them. Highly illustrated with clear pictorial symbols, they provide the 'hook' for a lesson with a variety of activities.

Collins Social Studies Atlas for the Caribbean

This atlas is presented in an engaging full-colour format with clear, easy-to-use maps prepared specifically to support social studies – including map skills and early geography skills – at upper primary and lower secondary levels throughout the Caribbean.

- Up-to-date reference and thematic mapping of the countries within CARICOM as well as the broader Caribbean region
- Supporting facts and statistics allow country-by-country comparisons
- Thematic maps of the Caribbean region cover key regional topics and challenges
- Photographs, data tables and graphs are used throughout to enhance learning

Age 9+

9780008152260

Collins Social Studies Atlas for Jamaica

This brightly illustrated atlas is designed to support social studies – including map skills, early geography skills, plus history and heritage topics – at upper primary and lower secondary levels in Jamaica. Content has been developed to support the learning objectives for social studies in the National Standards Curriculum for grades 4 to 9.

- Up-to-date and easy-to-use mapping and statistics for key Jamaican topics, with content developed in association with the MONA Geoinformatics Institute
- Reference and thematic mapping of the countries within CARICOM as well as the broader Caribbean region, covering key regional topics and challenges
- Maps are fully supported with illustrations, photographs and data

Age 9+

9780008298678

Collins Student Atlas for the Caribbean

This Student Atlas provides comprehensive coverage of the Caribbean islands, gulfs and bays and focuses on accurate mapping of all the Caribbean countries. Thematic maps of individual countries and the Caribbean region address topics specific to the CSEC® Geography syllabus.

- Up-to-date reference and thematic mapping, useful statistics and an extensive index
- Topics include population, climate, economy, industry, trade, tourism, history and the environment
- High quality satellite imagery, which has been selectively used within the special topic or study areas, supports data on the maps and is used to illustrate key environmental issues
- Perfect combination of reference maps, special topic maps and satellite images

Age 14+
