HYALURONIC SERUM
[REPAIR]

- Take 1-2 pumps
- Gently pat onto face, neck and décolletage

We are dedicated to providing a range that works effectively for even the most sensitive skin types.
If you're unclear about how to best use any of our products, please contact us via our website.

Caution: For topical external use only. Avoid direct contact with eyes and broken skin. In the rare event of an adverse reaction discontinue use. *Exfoliants with glycolic can increase skin's sensitivity to the sun. Always wear sunscreen and appropriate sun protection while using this product. **If you are new to using exfoliants containing AHA or BHA, we recommend starting with twice a week usage and building up gradually.
