ABOUT THE BRAND

770 RUNWAY is a new emerging brand from Montreal, Canada specializing in “cover it all” swimwear.

All of our swimwear is manufactured in Canada using the finest print and quality fabrics in order to guarantee a fashionable design and a best fit.

Our bathing suits offer the possibility to enjoy the beach and the pool without having to uncover, for whatever reason that may be. Whether it is do to a religious conviction, or wanting to protect against the sun harming uv-rays, or simply feeling more comfortable showing less skin; our line of fashionable curated designs of rashguard tops, swim leggings and swim skirts will make you feel as sexy as if you were wearing a bikini.

All of our swimwear offer a UPF protection of 50+, and our fabric is designed to quickly dry.

Our swimwear is not only made for the beach. Our elegant trendy multi-functional garments could also be worn at the gym as well as for a fun day at the park!
