

MEASURE MY WRIST SIZE

PRINTING

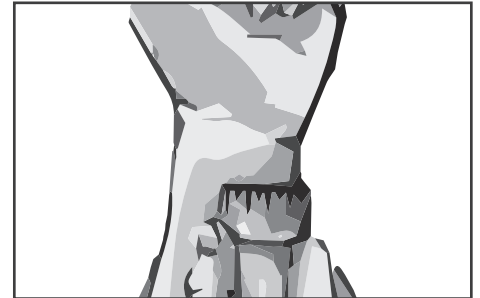

For best results, ensure to go into "Print Setting" and set page scaling to 'none' or scale to 100%. The Edifice 'Measure My Wrist' guide must be printed on a full A4 size page. Cut out ruler along lines.

To check if wrist measurer has been printed properly, take a ruler and place against sample. It should measure exactly from 0 - 23cm. Alternatively, you may use any measuring tape.

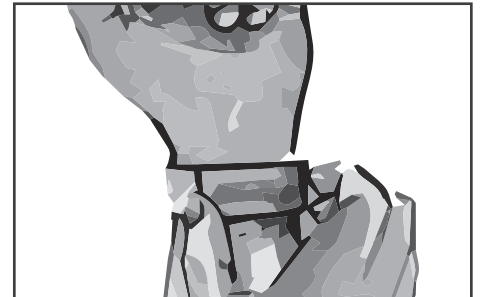

STEP 1

Starting at START, center wrist ruler on the inside of your wrist using your thumb to hold it in place.

STEP 2

Use your remaining fingers to position it where your timepiece would comfortably fit along your wrist (not too tight/ not too loose)

STEP 3

Read your measure at the point where it wraps on START
If your wrist is in between two sizes, include the (mm) in your measurements (e.g: 15.40cm)
