Minutes of a regular meeting of board of directors

PREVIEW

1. This form illustrates a typical board of directors meeting, which could also serve as the annual meeting of the board of directors for a small corporation.
2. It recites the following facts: the directors present, a waiver of notice was executed by the directors of the corporation, the nomination and elections of officers of the corporation for that year, and consideration for employment contracts, management contracts and adoption of a health and accident plan.
3. Electronic transmissions may be utilized to carry out corporate functions. This includes meetings. This is reflective of the expanded use of teleconferencing, internet conferencing/communication, and facsimiles. The use of electronic transmission for meetings will still require that the minutes of the meetings can be reduced to written form when needed or requested.
