

Form: Affidavit of costs and necessity of services for introduction into evidence

PREVIEW

AFFIDAVIT CONCERNING COST AND NECESSITY OF SERVICES

On [Date], [Custodian of Records] personally appeared BEFORE ME, the undersigned authority, and after being placed under oath affirmed the truth of the following:

"My name is [Custodian of Records]. I am over the age of 18 years, and legally capable of making this affidavit and personally confirming the truth of the facts stated herein.

"My job is custodian of records for [Organization]. Attached to this affidavit are [Number] pages of records. These pages itemize the services and charges as shown on the records as kept by [Organization] in its regular course of business. It is the regular course of business of [Organization] for a worker to make a record or to send information of an act, event, condition, opinion, or diagnosis relative to this party. The record was made contemporaneously (the same time) as the event occurred, or soon thereafter, regardless of the nature of the event.

"The charges for services provided were reasonable and necessary at the time and place that the service was provided.

"The records attached hereto are the duplicates or exact duplicates of the original."
