PREVIEW

Texas Probate Code Sec. 166.165. CIVIL ACTION

(a) A person who is a near relative of the principal or a responsible adult who is directly interested in the principal, including a guardian, social worker, physician, or clergyman, may bring an action in district court to request that the medical power of attorney be revoked because the principal, at the time the medical power of attorney was signed:

(1) was not competent; or

(2) was under duress, fraud, or undue influence.

PLEASE DO NOT COPY

(b) The action may be brought in the county of the principal's residence or the residence of the person bringing the action.

(c) During the pendency of the action, the authority of the agent to make health care decisions continues in effect unless the district court orders otherwise.

Texas Probate Code Sec. 166.166 OTHER RIGHTS OR RESPONSIBILITIES NOT AFFECTED.

This subchapter does not limit or impair any legal right or responsibility that any person, including a physician or health or residential care provider, may have to make or implement health care decisions on behalf of a person, provided that if an attending physician or health care facility is unwilling to honor a patient's advance directive or a treatment decision to provide life-sustaining treatment, life-sustaining treatment is required to be provided the patient, but only until a reasonable opportunity has been afforded for transfer of the patient to another physician or health care facility willing to comply with the advance directive or treatment decision.

INFORMATION CONCERNING THE MEDICAL POWER OF ATTORNEY

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Per Sec. 166.163 of the Texas Health and Safety Code

THANK YOU

A medical power of attorney is not effective unless the principal, before executing the medical power of attorney, signs a statement that the principal has received a disclosure statement and has read and understood its contents.

LegalFormsForTexas.Com

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you in accordance with your wishes, including your religious and moral beliefs, when you are no longer capable of making them yourself.

PREVIEW

Because "health care" means any treatment, service, or procedure to maintain, diagnose, or treat your physical or mental condition, your agent has the power to make a broad range of health care decisions for you.

PLEASE DO NOT COPY

Your agent may consent, refuse to consent, or withdraw consent to medical treatment and may make decisions about withdrawing or withholding life-sustaining treatment.

Your agent may not consent to voluntary inpatient mental health services, convulsive treatment, psychosurgery, or abortion. A physician must comply with your agent's instructions or allow you to be transferred to another physician.

Your agent's authority begins when your doctor certifies that you lack the competence to make health care decisions.

THIS DOCUMENT

Your agent is obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent has the same authority to make decisions about your health care as you would have had.

It is important that you discuss this document with your physician or other health care provider before you sign it to make sure that you understand the nature and range of decisions that may be made on your behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions.

THANK YOU

You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust. The person must be 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed. If you appoint your health or residential care provider (e.g., your physician or an employee of a home health agency, hospital, nursing home, or residential care home, other than a relative), that person has to choose between acting as your agent or as your health or residential care provider; the law does not permit a person to do both at the same time.

PREVIEW

You should inform the person you appoint that you want the person to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions who have signed copies. Your agent is not liable for health care decisions made in good faith on your behalf.

PLEASE DO NOT COPY

Even after you have signed this document, you have the right to make health care decisions for yourself as long as you are able to do so and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing your agent or your health or residential care provider orally or in writing or by your execution of a subsequent medical power of attorney. Unless you state otherwise, your appointment of a spouse dissolves on divorce.

THIS DOCUMENT

This document may not be changed or modified. If you want to make changes in the document, you must make an entirely new one.

THANK YOU

You may wish to designate an alternate agent in the event that your agent is unwilling, unable, or ineligible to act as your agent. Any alternate agent you designate has the same authority to make health care decisions for you.
