

Greta

A sister floor to our best seller Ingrid, Greta is an instant Scandinavian classic wide plank floor. Named after trailblazing Swedish actress Greta Garbo, this white oak floor is understated and subdued, yet incredibly powerful and elegant. It possesses the same ultra matte acrylic finish as Ingrid, but its stain is a shade lighter, adding a refreshing element to any space. Greta can have color variation from board to board including red boards and darker boards in addition to some knots.
