

**NOTE:** The myTop convertible only operates while the brake pedal is engaged.

**CAUTION:** Do not open or close your convertible top while the vehicle is in motion.

**STEP 1:**

Rotate both sun visors down to gain access to the latch assembly.

**STEP 2:**

Grasp the padded handle and pull down, releasing the latch from the receiver. Repeat on other side. Return sun visors to original positions.

**STEP 3:**

Start the vehicle.

**STEP 4:**

Firmly press down on brake pedal. Push and hold the "TOP DOWN" button on the switch until the convertible top stops in the open position.

**NOTE:** The myTop convertible only operates while the brake pedal is engaged.

**CAUTION:** Do not open or close your convertible top while the vehicle is in motion.

**STEP 1:**

Start the vehicle, then firmly press down on brake pedal. Push and hold the "TOP UP" button on the switch until the convertible top stops in the closed position.

**STEP 2:**

Rotate both sun visors down to gain access to the latch assembly.

**STEP 3:**

Grasp the center handle located above the rearview mirror and pull the convertible top close to the frame of the vehicle.

**STEP 4:**

While holding the center, grasp the padded handle and pull up, attaching the latch to the receiver. Repeat on other side. Return sun visors to original positions.
