Glide Gear

# DST 100

## USER MANUAL

# What's included?

## Also included:

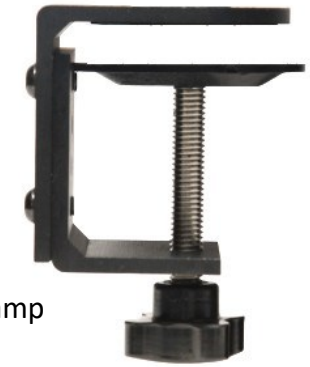

Table Clamp

For more information please visit our website: www.glidegear.net

# Alternative Mounting Options

In the previous photo, the DST 100 was pictured in its *desktop configuration*. Please note that in a *desktop configuration*, **it is recommended to weigh the desktop plate for extra stability.**

Alternatively, the DST 100 can be used in two additional configurations:

## *C-Stand configuration:*

In this configuration:

- simply secure the main pole to your C-Stand the same way you would secure the main pole to the Desktop Stand

## *Table Clamp configuration:*

Table Clamp

In this configuration:

- Mount the Table Clamp to your table
- Secure the main pole to the Table Clamp the same way you would secure the main pole to the Desktop Stand
