WINTER 2024

# New Collections

The Pavilion Collection features a scooped 1 7/8" design and is available in three finishes, silver, black and cream and are embellished with distressed edges, and subtle washes that create the warmth of an aged patina that gives the collection its signature transitional appeal. All three colors feature a silver inner trim.

Saddle Ranch features multiple layers of paint and texture are the collections signature appeal adding color complexity and visual interest.

The Mozart Collection features a scooped 3/4" wide profile. The pitted and rubbed surface of the metal finish lends textural and tonal complexity to your décor or event themes.
