

REVISION SKINCARE®

Pre & Post Procedure

TRIAL REGIMEN

LIMITED EDITION

Welcome to Revision Skincare®. Let's Get Started!

You've taken the first step to achieving healthy, younger-looking skin with this powerful skincare regimen which was professionally created. We have more than 30 years of experience developing advanced skincare solutions for dermatologists, plastic surgeons and estheticians, so you're starting in the right place.

Each of our products have unique benefits and were master-formulated to work together in harmony to address your individual skin needs. The products in your regimen are *trial size* so you will be able to use them for approximately 4 to 6 weeks. You can learn more about each product along with the best time of day for application on the following pages. When you are ready to replenish your products, see your skincare professional or shop online with us at revisionskincare.com for direct shipment to your house.

Finally, all healthy skin deserves moisturization and excellent protection from the harmful damage of UVA and UVB rays. Be sure to redeem our gift to you, a full size anti-aging moisturizer with SPF to complete your skincare system. Instructions to redeem your gift can be found on the sample carton and card enclosed.

Growing younger starts now.

relentless innovation
ADVANCED RESULTS™

Pre & Post Procedure ANTI-AGING TRIAL REGIMEN

Prepare and soothe skin with this one-of-a-kind regimen that is uniquely designed to be used before and after in-office skincare procedures. Professional-grade products promote healthy, hydrated skin to deliver maximum results plus calm and protect vulnerable skin.

Gentle Cleansing Lotion

soothing facial cleanser
for sensitive skin

This mild, creamy cleanser removes make-up, dirt and debris without upsetting the skin's delicate moisture balance. Skin is left feeling clean, smooth and hydrated.

BENEFITS

- Thoroughly cleanses and soothes skin without stripping its natural moisture barrier
- Contains naturally-derived cleansing agents and antioxidant-rich Apple Amino Acids
- Conditions skin with marine derived Red and Brown algae, Panthenol and Squalane
- Gentle enough to use after professional, in-office treatments
- Free of artificial fragrance and colorants

Hydrating Serum

ultra-light
age-defying moisture

This lightweight, oil-free serum features two forms of Hyaluronic Acid plus a blend of natural fruit extracts, antioxidants and a peptide that leave skin with a smooth, refreshed appearance.

BENEFITS

- Provides both short- and long-term moisturization
- Reduces the appearance of fine lines and wrinkles
- Keeps skin uniformly hydrated
- Plumps skin and improves overall texture
- Moisturizes without leaving skin feeling sticky
- Can be used under moisturizer for added hydration

WHO BENEFITS

Ideal for dry and sensitive skin.

SIGNATURE INGREDIENTS

Sodium Cocoyl Apple Amino Acids.

Fruit surfactants derived from Apple Amino Acids that gently cleanse skin.

Sucrose Laurate. Natural surfactant that cleanses without stripping skin of its natural moisture content

Bisabolol. Derived from German Chamomile to naturally soothe skin.

Squalane. Mimics the body's own natural moisturizing factor for additional hydration.

Red and Brown Algae Extracts. Naturally moisturize and condition skin.

Panthenol (Provitamin B5). Moisturizes and nourishes skin.

AGE-DEFYING RESULTS

Hydrating Serum is an oil- and alcohol-free water-based serum. This extremely lightweight formula won't clog pores and can be used either alone or under a moisturizer to give dry skin a boost of hydration. It can also be applied as a foundation for other skincare products to boost their benefits.

SIGNATURE INGREDIENTS

Sodium Hyaluronate (Hyaluronic Acid).

Binds water to the skin and provides short-term moisturization.

Watermelon, Apple and Lentil Fruit Extracts. Blend of natural fruit extracts that increases skin's moisture and keeps it uniformly hydrated.

Vitamin E (Tocopheryl Acetate) and Pomegranate Extract. Provide strong antioxidant benefits.

Palmitoyl Tripeptide-5. Reduces the appearance of fine lines and wrinkles.

Honey and Sea Kelp Extract. Hydrate and condition skin.

C+ Correcting Complex 30%™

exclusive antioxidant blend with THD Ascorbate 30%, Vitamin E and Microbiome Technology

Combat + Correct with the Power of Plus

With the highest concentration of 30% pure THD (Tetrahexyldecyl) Ascorbate plus our patent-pending MelaPATH™ Technology, C+ Correcting Complex 30%™ has the power to reveal superior results unlike any other Vitamin C product on the market.

CLINICAL STUDY RESULTS

87% of users reported visibly brighter skin*

94% of users reported an improvement in the evenness of skin tone*

84% of users reported visibly firmer skin*

90% of users reported an improvement in overall skin appearance*

*VISIA® - CR IMAGE TAKEN WITH CROSS POLARIZED FILTER
†VISIA® - CR IMAGE TAKEN WITH PARALLEL POLARIZED FILTER

BENEFITS

- Brightens and evens the appearance of skin tone
- Helps to support the skin's natural production of Vitamins C and E
- Improves the appearance of skin firmness
- Defends and corrects the skin-damaging effects of free radicals generated by Urban Dust and High-Energy Visible light (HEV or blue light)
- Improves overall skin appearance
- Supports the skin's Microbiome with prebiotic technology

RECOMMENDATIONS

Be sure to use a daily anti-aging moisturizer with sunscreen such as Intellishade® (Original, Matte or TruPhysical™) or Multi-Protection Broad-Spectrum SPF 50 to further protect skin from environmental stressors.

SIGNATURE INGREDIENTS

MelaPATH™ Technology.

A synergistic blend of powerful antioxidants that is designed to combat free radicals before they damage your skin—whether they're in the environment, the result of blue light exposure, or naturally produced by your body.

Sodium Carboxymethyl Beta-Glucan.

Prebiotic technology that helps to maintain a healthy Microbiome.

Diglycosyl Gallic Acid.

Harnesses the power of the Microbiome for additional brightening benefits.

*BASED ON RESULTS OF A SELF-ASSESSMENT QUESTIONNAIRE GIVEN TO 31 WOMEN, AGES 38-60, AFTER 12 WEEKS OF TWICE DAILY USE. ZAHRA, A.; KONONOV, T. (2019). EFFICACY AND TOLERABILITY OF A NOVEL ANTIOXIDANT FORMULATION CONTAINING 30 (W/W)% OF TETRAHEXYLDECYL ASCORBATE, A LIPID-SOLUBLE FORM OF VITAMIN C. POSTER EXHIBITED AT: AMERICAN ACADEMY OF DERMATOLOGY (AAD) ANNUAL MEETING; MARCH 1-5 2019; WASHINGTON, DC. RESULTS MAY VARY. ***BASED ON RESULTS AS EVALUATED BY A CLINICAL GRADER IN A CLINICAL STUDY ON 31 WOMEN, AGES 38-60, AFTER 12 WEEKS OF TWICE DAILY USE. DATA ON FILE. RESULTS MAY VARY.

D·E·J face cream®

advanced all-in-one
age-defying moisturizer

This clinically-proven, skin-renewing moisturizer is inspired by the Dermal-Epidermal Junction (DEJ) – a key area in the skin that impacts visible aging – and includes Prebiotic Innovation to improve overall skin appearance in as early as 4 weeks.*

B E N E F I T S

- Clinically-proven to address the visible signs of aging with results seen as early as 4 weeks*
- Reduces the look of fine lines and wrinkles
- Firms and lifts the appearance of sagging skin
- Brightens and evens skin tone
- Features Prebiotic Innovation to promote a healthy Microbiome

C L I N I C A L S T U D Y R E S U L T S

100% of subjects showed an improvement in the look of fine lines, skin tone and overall appearance*

97% of subjects showed an improvement in smoothness, brightness and the appearance of wrinkles*

89% of subjects showed an improvement in the appearance of redness*

*DATA ON FILE. RESULTS MAY VARY.

SIGNATURE INGREDIENTS

Palmitoyl Tripeptide-38 and Palmitoyl Hexapeptide-14.
Visibly improves the look of skin firmness, fine lines and wrinkles.

Vitamin C (THD Ascorbate).
Brightens skin and is the superior and most stable form of Vitamin C.

Alpha-Glucan Oligosaccharide (Prebiotic). Helps balance microbiota in the skin's Microbiome.

Blend of Antioxidants (including Vitamin E, Goji Fruit Extract and Ubiquinone). Helps shield skin from environmental stressors that contribute to visible skin aging.

Sodium Hyaluronate (Hyaluronic Acid).
Intensely hydrates skin.

Lipid Technology. A blend containing ceramides, cholesterol, and fatty acids that helps enhance skin's natural moisture barrier and enhances overall skin health.

Multi-Protection Broad-Spectrum SPF 50

daily oil-free anti-aging
moisturizer with sunscreen

Keep skin protected every day with this lightweight, oil-free, anti-aging moisturizer. This product is formulated with three peptides and potent antioxidants to brighten skin.

B E N E F I T S

- Reduces the appearance of fine lines and wrinkles
- Contains a blend of antioxidants including Vitamin C (THD Ascorbate), Vitamin E, Pomegranate and Green Tea Extract
- Moisturizes skin with Hyaluronic Acid, plant-based Polysaccharides and Squalane
- Provides UVA and UVB protection

U L T R A V I O L E T (U V) R A D I A T I O N E D U C A T I O N

UVA rays penetrate the skin deeper than UVB rays and are more responsible for premature aging. UVB rays cause the skin to burn.

SIGNATURE INGREDIENTS

Avobenzone. Protects skin from UVA rays.
Octinoxate and Octisalate. Protect skin from UVB rays.

Homosalate. Protects skin from UVB rays.

Blend of three bioavailable peptides.
Reduces the appearance of fine lines and wrinkles and helps skin appear more firm and lifted.

Epigallocatechin Gallate (EGCG) from Green Tea Extract, THD Ascorbate (Vitamin C), Pomegranate and Vitamin E. Provide antioxidant benefits against environmental stressors.

White Birch Extract, Yeast Extract, Plankton Extract and Coenzyme Q10.
Proprietary blend that reduces the appearance of fine lines and wrinkles and encourages overall skin health.

Hyaluronic Acid, plant-based Polysaccharides and Squalane.
Blend of hydrators and moisturizers that leaves skin feeling healthy and smooth.

Intellishade®

anti-aging tinted daily moisturizer with sunscreen
Broad-Spectrum SPF 45

ORIGINAL, MATTE AND TRUPHYSICAL™

Outsmart the signs of aging™ with this transformative 5-in-1 moisturizer that helps to correct, protect, conceal, brighten and hydrate skin for a smoother, more radiant complexion and provides comprehensive UVA and UVB protection for clinically-proven results.*

CLINICAL STUDY RESULTS

97% of subjects showed an improvement in tactile smoothness*

94% of subjects experienced brighter, more even-toned skin*

91% of subjects showed an improvement in the appearance of fine lines*

*DATA ON FILE (INTELLISHADE® ORIGINAL). RESULTS MAY VARY.

SIGNATURE INGREDIENTS OF INTELLISHADE® FRANCHISE

Blend of three bioavailable peptides. Reduces the appearance of fine lines and wrinkles and helps skin appear more firm and lifted.

Epigallocatechin Gallate (EGCG) from Green Tea Extract, THD Ascorbate (Vitamin C), Ubiquinone (Coenzyme Q10) and Vitamin E. Unique blend that provides antioxidant benefits against environmental stressors that contribute to the visible signs of aging.

Boron Nitride. Superior mineral that helps skin appear and feel smoother.

Iron Oxide. Mineral pigment that provides a self-adjusting, universal tint.

BENEFITS

- Over 20 anti-aging ingredients
- Provides antioxidant benefits against environmental stressors
- Reduces the appearance of fine lines and wrinkles
- Helps skin appear firm and lifted
- Brightens and evens skin tone
- Enhances skin's natural moisture barrier
- Light diffusing ingredients help to even skin tone and blur imperfections

INTELLISHADE® IS OFFERED IN THREE VARIETIES:

Intellishade® Original

- Has a more moisturizing feel
- Universal tint leaves a healthy glow
- Those with dry skin might prefer
- Contains SPF 45

Intellishade® Matte

- Universal tint has a matte finish
- Those with oily skin might prefer
- Contains SPF 45

Intellishade® TruPhysical™

- Incorporates 100% physical sunscreen SPF 45 with no hidden chemical sunscreens
- Most suitable for sensitive skin or for use post-procedure
- Universal tint leaves a healthy glow

SIGNATURE INGREDIENTS OF INTELLISHADE® FRANCHISE (CONT.)

White Birch Extract, Yeast Extract and Plankton Extract. Enhance skin and encourage overall skin health.

Squalane, Aloe Barbadensis Leaf Juice and Glycerin. Hydrate and soothe skin for a plump, fresh appearance.

Intellishade® TruPhysical™ includes all the anti-aging benefits of Intellishade® Original plus 100% mineral sunscreens:

Zinc Oxide. Physical, inorganic mineral that effectively protects against both UVA and UVB rays.

Titanium Dioxide. Physical, inorganic mineral occurring in nature that protects skin from UVB rays as it absorbs and reflects UV radiation.
