Dear Liam,

Thank you for generously donating \$390.00 to SANCSS Australia Ltd.

It is through support from people and groups like you that SANCSS can support disadvantaged children in Australia and other countries..

Your generosity allows Sancss to provide a range of support to help address the real needs of children. We strive to provide the highest quality of care and services to children in need, none of which is possible without the support of kind people like you.

Once again, on behalf of SANCSS and the children we support, thank you.

If you have any questions about your donation, please contact us on email at info@sancss.org.au

Yours sincerely
