Dear Liam,

Thank you so much for your contribution to the Edmund Rice Foundation for support of our work in Liberating Lives through Education.

ERFA's purpose is to support the education of the most vulnerable. For ERFA, the best education represents life long learning where skills are imparted and applied, lessons learned and life skills mastered. ERFA's focus on education is not only in life changing education for children, but in skills such as financial literacy, farming, trades, health and human rights for adults. The link between education and empowered, self-sustaining and healthy individuals and communities is clear. The right education transforms and liberates lives, every day.

Thank you for your generous contribution and for providing the gift of education to someone who truly needs it.

Yours sincerely

Bren Arkinstall  
CEO
