HARMONY CBD E-LIQUIDS:

Try vaping Harmony CBD E-Liquids and you will never go back! Harmony Cannabis originals are infused with terpenes and taste of real cannabis buds!! Each bottle is 10ml and available in various strengths of CBD depending on personal preference. Pure base can be added to your favourite Liquid to give you a great CBD boost in your daily routine! The New CBD Pen cartridges contain 1ml and are therefore 10% CBD but when used with the battery and charger will vape much slower and will last much longer than vaping in a sub ohm device.
