Dear Youth Baseball Supporter:

Prospect Training Academy (PTA) and Experience Youth Baseball Incorporated are busy preparing for the upcoming 2024 season. We are asking for your help and in turn offering area businesses an excellent advertising opportunity!

The U12 PTA Baseball Teams are based in Franklin, WI and are focused on hustle, awareness and mental toughness. We encourage players to be excited to make plays instead of worrying about making mistakes. Our coaches strive to teach players the importance of not only baseball fundamentals but good sportsmanship and strong leadership skills both on and off the field.

Our team is offering an opportunity we feel will benefit everyone involved. A banner displaying supporting businesses along with our team picture will be hung on our dugout during all regularly scheduled games. Our schedule includes 50 – 60 games from March to July with many games played at the Rock Sports Complex in Franklin. This banner will be displayed in a location visible to all fans and spectators making this a great way for you to reach out to potential new patrons.

Your support will allow us to have the best possible training for our players and will also help offset the cost of equipment, field time and tournament fees throughout the season; including a trip to play at the Cooperstown Dream Park during the 2023 season.
