Offer Acceptance and Payment Details:

Once you receive an offer from a Snappers team, you will receive a link for payment of the non-refundable \$300 down payment. This payment must be made within 24 hours to secure your son or daughter's spot on the team.

The remaining fees are due on October 1st. We also offer a payment plan through Smart Tuition that automates the collection process. If you select the payment plan, you will pay the balance in 6 equal installments from October through March. There is a \$50 fee to set up the smart tuition payment plan. This fee goes directly to Smart Tuition.

Lastly, you are able to pay through Smart Tuition with a credit card, but there is a fee of 2.75% to do so. This fee is used to cover the cost of accepting credit cards. Our preference is that you utilize your checking account for automatic payments. There is no additional fee for that method.

THANKS FOR TRYING OUT FOR THE SNAPPERS POWERED BY PTA! We look forward to a great season!
Welcome to the family!
