

# BullDog Pro Water Blasters

## #PCE belt drive series portable Electric Pressure Washers

**BullDogPRO™ Water Blasters** are **the toughest** pressure washers on the market, built specifically for **the most demanding applications**. Powered by ultra reliable industrial duty electric motors, all our water blasters feature **premium safety control** systems, **beefy** pumps plumbed for **reliability** and **long term low cost**. For serious commercial / industrial cleaning, you need serious equipment... There's only one choice... the **BullDogPRO™**.

**24 volt Controls** are available in wide variety... Low-Water shutdown, Bypass-Overheat shutdown, Security-Key switch, Remote-Controls, and Auto-Start-Stop. All are wired for Serviceability, Reliability, Abusability, Safety, They include easy-access test-points, fuses on all circuits, and Simplistic, Beefy, Color-coded wiring... because we care.

Reliable, **easy-starting** industrial duty electric motors run **ultra quiet** & provide years of hassle free service.

All electrical units are wired for **safety** with heavy duty **GFI protected** power cords

solid rubber wheels are standard on the 15 and 20 Hp systems. They are optional on the smaller units

All BullDogPRO™ frames and hose reel brackets are sandblasted, primed and **powder coated** for the look and durability you want.

**Industrial-grade, heavy duty** tri-plunger pump systems with **forged brass head**, oil-bath and **ceramic pistons** for super long life.

Premium "**clear-bowl**" filter to protect pump from damaging debris in the water.

These systems are also available with **hose reels**, and in **stationary mount** frame versions.

**60" Extended Bypass Loop** eliminates overheating and keeps pump running cool for extended pump life.
