BullDog PRO™ Water Blasters are the toughest pressure washers on the market built specifically for the demands of professional users. Powered by continuous duty **Honda, Vanguard or Kohler** engines, all **BullDog PRO™** systems feature premium tri-plunger, oil bath pumps plumbed for reliability and long term low cost. For serious cleaning you need serious equipment. There's only one choice - the **BullDog PRO™**.

The most beautiful frames in the industry. Triple powder coated for durability and rust proofing.

Convenient rack for quick change of wand nozzles.

Industrial-grade, tri-plunger, oil-bath Annovi Reverberi high pressure pump with forged brass head and ceramic pistons for extra durability and long life.

90% of pump failures are due to overheating seals in bypass... our 60" Bypass Loop eliminates overheating.

Rugged 2-ply tubed Pneumatic Tires absorb vibration and maneuver easily on all terrains.

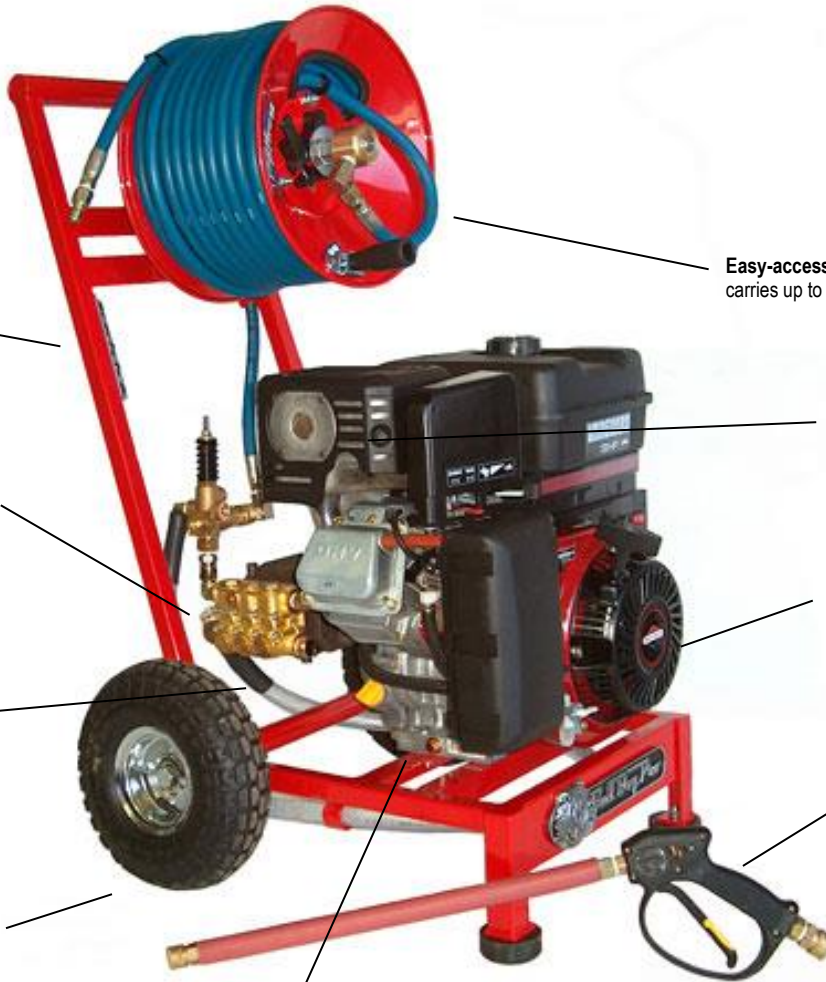

Easy access oil-drain plug for quick oil changes and improved maintenance.

Easy-access Rapid Reel carries up to 75 ft of hose.

Ultra quiet low-tone muffler for hassle free work time

All systems powered by ultra reliable, industrial-duty **Honda, Vanguard or Subaru** engines.

Easy-pull trigger gun provides hours of fatigue free cleaning. Several wand lengths are available... just ask!
