

# BullDog Pro Water Blasters

**Diesel engine powered Hot Pressure Washers, diesel fired.**  
**performance, durability, reliability, serviceability, long-term-low-cost. UN-matched.**

Hot water to 200°F under pressure with industrial rated engine, and an attitude towards removing “that which **must** come off the surface”...  
No machine has ever or will ever compare in “long term low cost”, **ease of maintenance**, or **ease of troubleshooting**. Our choice in components is made by our engineering and service departments **working together for over 25 years**. You will be **impressed**.

**Easy access to everything is our style**

**Beefier AND lighter weight are safer for portability.**

**All our frames are sandblasted, primed and powder coated for the look and durability you want Long term.**

**8” airless casters are on front, Pneumatics that won’t go flat are available on the back.**

**Convenient oil-drain for quick oil changes and improved maintenance.**

**Heater Coils on our systems last 12 to 14 years... Double the competition !**

**H.V. ignitors can last 4 to 5 years ! triple our competition !**

**It’s about our patented control systems.**

**10hp version only weighs 450 lbs dry, and can easily fit into an elevator !**

**another BIG difference, adding to “Long-Term-Low-Cost”..  
 Pump seals and control valves can last several years...  
 Keeping seals from overheating with a “High-Volume bypass system”  
 It makes a HUGE difference !**

**Low Water Alarm, Pressure-Hose Reels, and many other options are available too !!**

**Distributed By:**

MODEL	GPM	PSI	HP	HOSE
PHD 3.5-3500	3.5	3500	9	50ft. R2
PHD 4- 3000	4.0	3000	9	50ft. R2
PHD 3.5-4000	3.5	4000	10	50ft. R2
PHD 4 - 3500	4.0	3500	10	50ft. R2
YES, you can run ‘em on <b>JP- jet fuel</b> !				call us !
