

# BullDog Pro Water Blasters

## Portable, Electric Driven Hot Pressure Washers

- Reliable Industrial duty motors
- 5-Year Warranty on all Pumps
- Compact, efficient & portable
- Many control options available

**BullDog PRO™ Water Blasters** are the toughest pressure washers on the market built specifically for demanding applications. Powered by continuous duty **Baldor Industrial** motors, all **BullDog PRO** systems feature premium tri-plunger, oil bath pumps plumbed for reliability and long term low cost. Serious cleaning requires serious equipment. There's only one choice - the **BullDog PRO™**.

Several control options are available..

Dual wand control,  
Delay-Off AutoShutdown,  
Low-Water Shutdown,  
And many more,

All control boxes **moisture resistant**, to **UL** industrial guidelines and are the **Easiest** to troubleshoot in the industry.

The electrical circuits are simplistic, color-coded, wired for reliability and include indicators for troubleshooting.

**These Industrial-grade**, heavy duty tri-plunger pump systems have **forged bronze rods**, oil-bath and **ceramic pistons** for super long life.

High efficiency Coil-tank assemblies include stainless steel shell, double insulated base, Redundant temp. controls,

Several options in fuel cells are available, larger & smaller, some with quick couplers.

On our diesel fired versions, Ultra durable **Beckett Burners** with our UltimateControlSystem makes for the industry's safest, and the **most reliable** heaters.

LP gas version is also available.

All **BullDog PRO™** frames are sandblasted, primed and **powder coated** for the look and durability you want.

Reliable, industrial duty electric motors run **ultra quiet** & provide years of hassle free service.

Oversized **2-ply** tires for smooth sailing over rough surfaces. Larger units have caster wheels on one end.
