

#SCE floor standing and wall-mount Pressure Washers

BullDogPRO™ Water Blasters are the toughest pressure washers on the market, and built specifically for demanding commercial applications. Powered by ultra reliable, industrial duty motors, and all **BullDogPRO™ Water Blasters** have premium tri-plunger pumps **plumbed for reliability and long term low cost.** For serious commercial / industrial cleaning you need serious equipment... There's only one choice – the **BullDogPRO™.**

Industrial-grade, heavy duty tri-plex plunger pump systems with **forged brass head, oil-bath and ceramic pistons** for long life.

Most electrically driven systems are also Available with **hose reel and wall mount** frame.

24 volt Controls are available in wide variety... **Low-Water** shutdown, **Bypass-Overheat** shutdown, **Security-Key switch**, **Remote-Controls**, and **Auto-Start-Stop.** All are wired for **Serviceability, Reliability, Safety,** and **Abusability.** We include **easy-access** test-points, fuses on all circuits, and **Simplistic, Beefy, Color-coded** wiring... because we care.

Reliable, **easy-starting** industrial duty electric motors run **ultra quiet** and will provide years of hassle free service.

All BullDogPRO™ frames & hose reel brackets are sandblasted, primed and **powder coated** for the look and durability you want.

All are wired for **safety.** single phase units Include heavy duty **GFI protected** power cords

48" Extended Bypass Loop eliminates overheating and keeps pump running cool for extended pump life.. **Dramatically !** add **Low-Water** shutdown and **Delay-Off ShutDowns,** they become "BulletProof" !
