

## **\*SCE floor standing and wall-mount Pressure Washers**

**BullDog PRO™ Water Blasters** are the toughest pressure washers on the market, and built specifically for demanding commercial applications. Powered by ultra reliable. industrial motors, and all **BullDog PRO™** Water Blasters have premium tri-plunger pumps plumbed for reliability and Long Term Low Cost. For serious commercial / industrial cleaning you need serious equipment... There's only one choice – the **BullDog PRO**™.

Industrial-grade, heavy duty tri-plex plunger pump systems with forged brass head, oil-bath and ceramic pistons for long life.

Most electrically driven systems are also Available with hose reel and wall mount frame.

24 volt Controls are available in wide variety... Low-Water shutdown, Bypass-Overheat shutdown, Security-Key switch, Remote-Controls, and Auto-Start-Stop. All are wired for Serviceability, Reliability, Safety, and Abuseability. We include easy-access test-points, fuses on all circuits, and Simplistic, Beefy, Color-coded wiring... because we care.

Reliable, easy-starting industrial duty electric motors run ultra quiet and will provide years of hassle free service.

All BullDogPRO™ frames & hose reel brackets are sandblasted, primed and powder coated for the look and durability you want.

All wired for safety.. including GFCi protection Also.. ForkLiftable Skids are available, ..and standard on 20 to 50hp versions.

**Extended Bypass Loop** with Temp-Limit shutdown eliminates overheating and keeps pump running cool for extended pump life.. Dramatically! Add Low-Water shutdown and Delay-Off Autoshutdowns, they become "BulletProof"! These are the Finest in Long-Term-Low-Cost. Ever.
