Cold Water Gas Engine driven

BullDogPRO™ Water Blasters are the toughest pressure washers on the market built specifically for demanding applications. Powered by continuous duty **Honda**, **Vanguard Kohler** or **Subaru** engines, all **BullDogPRO™** systems feature premium tri-plunger pumps plumbed for reliability and long term low cost. For serious cleaning you need serious equipment. There's only one choice... the **BullDogPRO™**.

Premium **Rapid Reels** optional and make job set-up a snap. Quality construction components insure long life and easy cleaning.

Industrial-grade, heavy duty tri-plunger pump systems with **forged brass head**, oil-bath and **ceramic pistons** for super long life.

All **BullDogPRO™** frames & hose reel brackets are sandblasted, primed and **powder coated** for the look and durability you want.

Convenient **nozzle rack** is shipped loose. You mount it within easy reach... wherever you prefer.

Reliable, **easy-starting** Honda industrial duty overhead valve engines come with low oil shutdown protection and solid 2 year warranty program.

Super **Lo-Tone** muffler keeps motor ultra quiet for hassle free work time

Easy access **oil-drain** for quick oil changes and improved maintenance.

25 ft. of high pressure hose rated to **3000 PSI** rated. Non marking vers. available, Available in lengths to 200 ft.

Rubber Pad Feet absorb vibration for smooth operation and long life and include mounting hardware.
