

#SC40v Vacuuming Surface cleaner

Our Vacuuming Surface Cleaners are revolutionary in **efficiency**, and time savings. When the pressure washing and wash water control are done **simultaneously**...

You don't have to rinse, and you have an **increase in WorkSpeed .. up to 3 times the speed** of a standard 20" surface cleaner !

For **production style** pressure washing sidewalks, warehouse floors, tile surfaces and more. Sanitize with up to 250°F as fast as you can walk, and have dry floors in minutes ! Add our **filtration for Re-Use** and have the ultimate in water conservation too !

Bolt our deck into your own mower ! ... Walk-Behind is shown, full hydrostatic drive Rider can be used as well. Call for more info !

Distributed By:

MODEL	Max PSI	Max GPM	Max Temp.	SHIP WT
SC-40	5000	14	250° F	57 lbs.
SC-40v	vacuum vers.	(req.min.350 CFM)	89 lbs.	
	6 gpm at 2000 psi	minimum required,		
	8 gpm at 4000 psi	at 450 CFM "brings it to life"		
	12 to 14 gpm at 4000+ and 650 CFM	to go FAST !		
	..Just be aware it reclaims less on uneven surfaces, and.. moves MUCH easier on the mower.
