Here is a fun take on everyone's favorite board game - Scattergories! There are 4 game cards included. All you need to do is print out as many copies as you need for the number of players you have and you're all set. If you enjoy this mini-date, check out our complete Turbo Topics™ game on our website!

- Everyone gets a set of four cards, one for each topic.
- Set a timer for 4 minutes (longer than the usual game since there are so many letters) for each player to have time to fill in a word that relates to one of the topics that starts with each letter in the alphabet.
- Once the timer is up, read through each letter and tally up a point for every answer that someone has written down that fits the theme and isn't a duplicate of another player.
- Whoever has the most points wins, and gets to choose from the Love Tokens.
- Print out the Turkey Talk cards to keep the conversations flowing!

Snack

Rolo Turkeys

Ingredients

- 72 candy corn pieces
- 24 mini pretzels
- 24 rolos (unwrapped)
- 48 candy eye balls
- 24 yellow or orange chocolate covered sunflower seeds

Instructions

- Line a baking sheet with a piece of parchment paper or foil.
- Lay out pretzels, and place a rolo on top of the pretzels.
- Place the pan in the oven until the chocolate just barely starts to soften. (It'll even keep softening out of the oven a bit).
- Place three pieces of candy corn into the top of the rolos to make your turkey wings. Then add two candy eye balls to the top front of the rolo for its eyes. And place a chocolate covered sunflower seed between them as the beak.
