- Lightweight Aluminum Frame
- Black travel bag included
- Non-slip foam padding included for shower seat
- Commode pail included
- Weighs: 10 lbs / 4.6 kg
- Height Adjustment: 30" - 38" / 76 - 96.3 cm

**Weight Capacity:** 300 lbs / 136 kg

Tool Free Assembly

#### FOLDING WALKER

This one-button folding walker provides support and stability.

Width: 21" / 53 cm

#### RAISED TOILET SEAT

Designed to fit around most standard toilets and help individuals that have difficulty sitting down or standing up from the toilet. The detachable seat with non-slip foam cushion adds an additional 3" / 7.6 cm to the height.

#### TOILET SEAT FRAME

Gives additional support for individuals that have difficulty sitting down or standing up from the toilet.

#### COMMODORE

The detachable commode pail can hold up to 5 litres / 1.32 gallons of waste. Commode bags sold separately (59014).

#### SHOWER SEAT

The detachable seat with a non-slip foam cushion makes showering comfortable and safe. The lightweight aluminum frame is corrosion free, convenient drainage holes making sure water does not stay pooled in the legs. The rubber tipped feet stop the seat from sliding.

#### TOTE BAG INCLUDED

The included tote bag allows the user to discreetly travel with all the additional accessories of the 5-in-1 Mobility & Bathroom Aid so they are never inconvenienced.
