## Bluetooth Shower Speaker

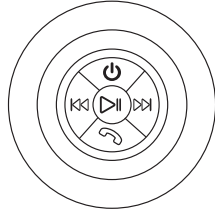

59042

Thank you for purchasing the BIOS Living Bluetooth Shower Speaker. The portable, water resistant, Bluetooth Shower Speaker comes with a built in microphone for answering hands-free calls. This device will pair with any Smart device as long as it's Bluetooth enabled.

### BUTTON DESCRIPTIONS

Charging Port

 **ON / OFF** Button

 Previous Song/Decrease Volume

 Next Song/Increase Volume

 Answer Phone Calls

 Play or Pause the Music

**Note:** You can redial the last phone call you made by pressing the Answer Phone Call button twice quickly.

### SAFETY INSTRUCTIONS

Read the manual in its entirety to ensure correct operation

- Keep the device out of direct sunlight and away from heat
- Do not insert any metal object into the device

### CHARGING THE BATTERY

This speaker is powered by an integrated rechargeable lithium battery

1. Insert the charging cable into the DC 5V socket/micro USB port on the unit. Connect the USB plug into a PC or AC/DC adapter. The LED indicator light will turn RED and the battery will begin charging
2. When the battery is fully charged, the RED LED indicator light will go out

### PAIRING YOUR BLUETOOTH SHOWER SPEAKER TO YOUR SMART DEVICE

1. Make sure the speaker is in power off mode when trying to activate the pairing mode
2. Press and hold the on/off button for about 6 seconds until the BLUE LED light starts flashing
3. Turn on our Smart device and activate the Bluetooth Function
4. Search for the Bluetooth device called BTS-06 and press on it to connect. If you are asked for a password type in 0000. Once your smart device and BTS-06 are paired you are now connected

Once your speaker is paired and connected to your smart device, next time you switch on the speaker it will connect automatically as long as the Bluetooth connection is turned on.
