

Certificate of Partnership

This certificate is presented to **Cariuma LTD.** in recognition of their commitment to environmental conservation and their partnership with **SOS Mata Atlântica Foundation**, from November 2021 to December 2022.

Through this partnership, Cariuma has sponsored the nursery of native tree seedlings which have been planted in **192 acres of forest restoration** in the Atlantic Forest, in Southeast Brazil.

This partnership is helping to restore the biodiversity and ecological balance of one of the world's most threatened biomes and we are honored to recognize **Cariuma** for their contributions to this cause and their commitment to a more sustainable future.
