ADVANCER® Kiln Shelves

NOW AVAILABLE IN NZ & AUSTRALIA!

Advancer® Shelves are the Rolls Royce of kiln shelves. They have numerous advantages over regular cordeirite or alumina shelves and with normal care Advancer® Kiln Shelves have an exceptional service life and will perform after hundreds of firings.

Don't be fooled by cheap imitations that glaze will stick to.

NEW ZEALAND & AUSTRALIAN CUSTOMERS:

Click [here](#) for NZ prices and to find the size thats right for your electric, gas or soda fired kiln, allowing minimum 25mm clearance from the edge of the shelf to the wall of your kiln. Then email info@plumestudio.nz with quantity and a delivery address for a quote in NZ\$.

Supply is currently limited. Special sizes are available on back-order.
