

COLOR CHAOS QUILT LABELS

I have created labels to help you keep all of your fabric and cut pieces organized. Cut these out and attach to your fabric/cut pieces with either a pin or binding clips. This pattern is not difficult but staying organized will help fight any confusion! Each label is clearly marked with the Fabric Letter (A - HH), the Position number (1 - 3) it will be in a single block, how many of each cut you'll need, the fabric cut size and to which block each specific piece belongs. There is also an area for you to fill in your specific color palette. The cut size of each piece is noted as () for BABY, [] for THROW, and < > for BED. The first upper left square label per Fabric Letter is meant for when you are organizing your fabrics into the ombre of A - HH (1 - 34 fabrics). The remaining 3 labels are for staying organized during cutting and sewing.

COLOR CHAOS COLORING PAGE

The Color Chaos Coloring Page is essential to staying organized when sewing and assembling your quilt top. Fabric Position 1, 2, and 3 are shaded in each block to help see where the colors move throughout the top. At the bottom of the page, please fill in the squares with your assigned colors and names of your fabric to help stay organized.
